(\* Remark: Any entity who demand Thai domain name registration during **26 July to 25 October 2004** should have examined [Temporary Provisions](#) from article 15 so on before registering. )

- [General](#)
- [Cancellation](#)
- [Choice of Name](#)
- [Procedure](#)
- [Temporary Provisions](#)
- [Miscellaneous](#)

### [General](#)

1. Only for any domain name holder who had already registered English domain name under .th before and only one English domain name can be referred to one Thai domain name.
2. Thai domain name registration service is add-on service and free of any charge until there is any alteration issued from the Thai Government.
3. Thai domain name registration must refer to only the English domain name that is not in debt of any fee and situation that can be terminated, captured, or in dispute settlement procedure.

### [Cancellation](#)

4. Thai domain name will be terminated automatically when the referred English domain name is terminated, in any circumstance.
5. A request for Thai domain name registration can be conducted by submitting the form that is provided by the Thai Government on the web page or sending a copy of letter from Administrative Contact or a person in charge of an organization which is the English domain name holder via fax through the Thai Government.

### [Choice of Name](#)

6. The name of the domain in Thai must comply with the following conditions.
  - 6.1 Must not be relevant to his majesty, royal family and royalties or the place that connects with his majesty, royal family and royalties.
  - 6.2 Must not offend any person's or organization reputation.
  - 6.3 Must not be a name of any country, any name of the Kingdom of Thailand, a province of Thailand and also national public domain.
  - 6.4 Must not be combined with rude or immoral words.
  - 6.5 Must be relevant to the English domain name which is referred to as followings.

6.5.1 Has the same pronunciation.

6.5.2 Has the same meaning.

\* Exemption: If your registered English domain name is derived from the English name of a company/institute/organization you can register your Thai domain name by the Thai name of your company/institute/organization even the names from each language don't have the same pronunciations or meanings.

7. In the case of your requested domain name has already rightful registered by others, you are willing to register another name that complies with the same conditions.

8. Thai Government has privilege to consider and decide the final state of Thai domain name.

### Procedure

9. You are willing to submit requested document in addition by the method that is notified during the process

10. Thai Government will notify you whether your Thai domain name is completely registered or not via e-mail in 3 working days after we received domain name registration request and all additional document into our consideration.

11. Thai Government deems the date and time of receiving application form to consider priority in the case that more than one person request for the same domain registration

### Temporary Provisions
